~~~~~

Praise for Daylight Dims:

"This is a fantastic horror anthology. All 13 stories are exquisite. The book was not what I expected initially, as I thought that it might be all vampire or werewolf tales. Not so! These are original stories from authors of the macabre. From dark fantasy and pure suspense to classic horror tales, it shows the extraordinary scope of fantastical fright fiction. The stories in this anthology are a tour de force of fear, which will haunt you, terrify you, and stay with you." – S. Mahaffey, *"neverjudge"*
