The Perfect Cloning Device

“What a twist!”

~ M. Night Shyamalan, Robot Chicken (2005)

I finally perfected the perfect cloning device.

Soon I will have an army!

No one will be able to stop me.

The first clone pops out. Then the second. Then the third. On and on and on.

No one will ever see this coming.

As the clones walk by me in a single-file line, I can’t help but be proud. I nod to each. They are perfect.

Praise for Daylight Dims Vol. 2:

“This was probably one of the most entertaining collections of horror stories I've ever read. And I don't say this to suck up or to stroke any tail feathers. I was happy to have the opportunity to read through this before release, and I implore anyone on the fence about picking this up to do themselves a favor and take the plunge into the abyss. You will not be disappointed.” – *Human Gravy*

DAYLIGHT DIMS

~~~~~

The editors chose 13 stories from over 100 premium submissions. DD contains some of the best horror around.

~~~~~

Praise for Daylight Dims:

"This is a fantastic horror anthology. All 13 stories are exquisite. The book was not what I expected initially, as I thought that it might be all vampire or werewolf tales. Not so! These are original stories from authors of the macabre. From dark fantasy and pure suspense to classic horror tales, it shows the extraordinary scope of fantastical fright fiction. The stories in this anthology are a tour de force of fear, which will haunt you, terrify you, and stay with you." – S. Mahaffey, *"neverjudge"*
